

## BOOK Review

by Nan Hopkins

**INVITATIONS TO ABUNDANT LIFE by Trevor Hudson**

**Genre: Spirituality**

Trevor Hudson's book gives some very helpful and practical advice on friendship with God and I recommend it. In the chapter on "Discovering Who We Are", he gives advice on how to let God be God in our lives, how to create a personal "Beloved Charter" from Scripture and how to really pray the Lord's prayer. All these things have been helpful for me. But one still has to put these things into practice. If you want to walk on the water, you've got to get out of the boat.
